72g Implementation of Coastal Access in Cumbria

Work has started on creating the England Coast Path – a new National Trail around all of England's open coast. Once the rights are in force, it will mean that for the first time people will have the right of access around all of England's open coast including 'spreading room' where they can rest, relax or admire the view. For the past few months, Natural England's Cumbria Coastal Access Team have been engaging with a wide range of partners to inform them of plans to open up a 30km stretch between Allonby and Whitehaven.

Agreed – That progress of this scheme be noted.

72h Cumbria Registration Service Modernisation

The Registration Service in Cumbria is about to enter a period of unprecedented change from October onwards as it modernises its structures and services. The aim is to create a more accessible and customer focused service. Changes include a single registration District for Cumbria, on line appointment booking and a centralised system for certificate issue that is available 24/7.

Agreed – That the plans to modernise the service be noted.

72i Business Rates Retention

Business rates are collected by local authorities from businesses in their areas like shops, offices, warehouses and factories but they are currently paid into a central pool to be redistributed as part of formula grant. The Government wants to change the current system by enabling Councils to keep a share of the growth in business rates in their area. This will make Councils more financially independent and give them a strong incentive to promote local growth. Changes will be made at the next spending review from 2015 – 2016.

Members expressed concern this move would be detrimental to Rural Areas like Cumbria.

Agreed – That the Guide be noted.
