155 Mayors Announcements

The Mayor had attended the following engagements since his last report: -

- Visit to Cockermouth Hospital with the Mechanics Band
- Carols round the Tree on Christmas Eve
- Fundraising event at the Fitz

156 Police Report

The Mayor welcomed Inspector Gale to the meeting.

Councillor Smith expressed his concern in respect of the recent increase in the number of commercial thefts from premises in Cockermouth, he asked Inspector Gale if she knew why this was happening.

Inspector Gale confirmed that incidents had increased but were still low when compared to other areas but none the less very impactful on the independent shops within the Town.

In November two people had been caught for going equipped and in December another suspect was arrested and remanded by court.

Cockermouth had been prioritised and additional staff were on duty overnight. Staff were also being more visible through the day.

The Police were working with partners in the local focus hub including providers of social housing. They were being made aware of who was being moved into Town and were being consulted on whether or not they were appropriate. As a result of working closely together, one eviction had been made and one other resident had left voluntarily.

Three criminal behaviour orders were in place currently.

Prolific shop lifters banned from other towns may be travelling to Cockermouth. A police volunteer had been recruited to assist with shop watch so that PCSOs could be freed to get back on the street.

Crime prevention advice was being offered to shop keepers.

Inspector Gale praised the new WhatsApp group, she stated that it was a great way for shopkeepers to share information but stated that the Police cannot share information this way as it was not secure.

Inspector Gale was thanked for her efforts.

157 CCTV

Inspector Gale stated the CCTV was a useful tool. She encouraged the Town Council to get in touch with the Force CCTV Officer for more information.

The Town Clerk explained that Stuart Game has been in touch and had offered to come and speak to the Town Council.

Councillor Smith stated that technology had moved on and costs had reduced since 2016. Capital from the sale of Double Mills could be used to install a fixed system however revenue had to be used for a mobile CCTV system.

Those present agreed that investigations be made regarding what products were now available.

Resolved – That the Town Clerk investigates the products available and that a special meeting be held to discuss the issue further.

158 Public Participation

There was none.

159a Planning Applications

The following planning applications were circulated for comment prior to Christmas due to time constraints:-
