## Friday 9 August

### **14:00 - 15:00 'Rucksack of Rhymes'**

Suitable for children aged 0-5 years old. Explore a short poem about summer by William Wordsworth through songs, rhymes and a story. Then unpack our rucksack of toys to play with including many animals and bugs that you would find in a summertime garden in Cumbria and create a simple summertime craft.

### **15:00 - 16:00 'Activities and Crafts'**

Suitable for children aged 4 and above. William and Dorothy Wordsworth loved to spend time in their garden. Join us to hear some of Dorothy's diary and some of Williams's poems about their garden as well as joining in with garden inspired crafts and games.

Children must be accompanied by an adult.  
Places must be booked in advance. Please call 01900 706170.
